空心复合绝缘子

Hollow Composite Insulator

浙江九天科技有限公司

九天为实现做出全球第一的空心复合绝缘子产品，认真反复研究了空心复合绝缘子的结构、材料和性能参数。并成立了科研级的试验检验中心，产品完全符合 GB/T21429--2008 和 IEC61462:2007

Zhe Jiang Titan Co., Ltd.

Titan thoroughly studied the structure, material and performance of Composite Hollow Insulator, and using series test process to measure each step of production, aiming to supply world-class level product. From the beginning to the end, we use automatic production line to ensure the quality and efficiency of product. All the products fully comply with GB/T21429--2008 and IEC61462: 2007
