智能改变 生产方式

万尔芯码垛机

A collection of WANERX robotic palletizing machines in a factory setting. The machines are white and grey, with red accents on the robotic arms. They are surrounded by several stacks of cardboard boxes, some of which are labeled 'WANERX 万尔芯 机器人码垛集成商'. The background features a large, curved, light blue structure, possibly a conveyor belt or a large container. The floor is a light grey, and the overall scene is brightly lit.
